A wide-angle photograph of a modern cable-stayed bridge spanning a large body of water. The bridge features a prominent, tall, slender pylon on the left side, from which numerous stay cables fan out to support the bridge deck. The water is dark blue with many whitecaps, and a rocky shoreline is visible in the bottom right corner. The sky is a clear, pale blue with some light, wispy clouds. The text 'LEO PPM –' is overlaid in the top right corner in a bright yellow, sans-serif font.
